ALL APPLICATIONS ARE SUBJECT TO CONTRACT; AN APPLICATION TO RENT ACCOMMODATION AND RECEIPT OF SATISFACTORY REFERENCES DOES NOT GUARANTEE THE TENANCY.

What does being a guarantor involve?

1. A guarantor must be a UK resident, a homeowner and in full time employment.
2. As a guarantor you will be asked to sign the tenancy agreement along with the tenant(s). This means that you will become jointly and severally liable with the tenant(s) for all the tenants obligations as laid out in the tenancy agreement. This includes payment of the full monthly rent if ANY of the named tenants in the property default.
3. When the tenancy is renewed for a further term you will remain on the contract and therefore continue as guarantor unless the tenants(s) have been re-referenced satisfactorily and it is agreed that you can be removed from the tenancy agreement and therefore released from your obligations.
4. Please read and sign the attached information, Guides To Charges and Important Notes For Tenants to ensure that you are fully aware of your obligations in the event of the tenant(s) to comply.
5. Please read the tenancy agreement carefully when it is provided to ensure that you are fully aware of your obligations in the event of failure of the tenant(s) to comply.

What happens next?

1. Complete and sign the attached forms so that we can start to process the application immediately and obtain the necessary references.
2. It will take a few days for the references to be approved. It will speed the process up if you have already contacted your referees to ask them to respond quickly when requested.
3. The tenancy agreement will be prepared and sent to you by post or delivered to you by the tenant(s). The tenancy agreement will have to be signed in our office by appointment before we are able to release the keys to the tenants at the beginning of the tenancy.

GUARANTOR'S CONSENT

Declaration:

I confirm that the supplied information is to the best of my knowledge and belief, true and may be verified. DATA PROTECTION ACT: Information provided by you on this form may be verified and held by ourselves or any authorised credit reference agency who may retain a record.

This information is only used for making credit decisions and occasionally for fraud prevention, or the tracing of debtors.

I also consent that information contained in this application and subsequent searches may be made available to the prospective landlord for the purposes of assessing this application.

Application Procedure

Please read these notes carefully

1. Application Fee

After payment of fees and the return of the application forms, the property will be taken off the market and referencing will commence. Should you decide for whatever reason not to take the property, the fees will **not** be refunded.

If the landlord decides not to let the property for any reason other than non-receipt of satisfactory references, all fees, rent and deposit paid by the tenant will be refunded.

2. Rent:

Managed Properties:

All rent is due on the 1st day of each calendar month. Where a tenancy commences on any date after the 18th of the month then the rent to the end of the month is payable plus the full rent for the following month. A standing order will be set up to collect rents on the 1st day of each month thereafter.

$\text{Rent} \times 12, \text{ divided by } 365 \text{ days} \times \text{the days in occupation within the month.}$

Let Only Properties:

One full month's rent is due on the date of occupation and a standing order will be set up for exactly one month later e.g. If a tenancy commences on the 12th of the month the rent will be paid on the 12th of the month thereafter.

Please note that full deposit monies plus the first month's rent are required in cleared funds prior to the commencement of the tenancy. PERSONAL CHEQUES ARE NOT ACCEPTED ON THE DAY THAT YOU ARE MOVING IN- however, building society cheques (only if formally issued by the society), cash or bankers drafts are permitted.

WE DO HAVE DEBIT CARD FACILITIES WITHIN THE OFFICE SHOULD YOU WISH TO PAY USING OUR "CHIP AND PIN" MACHINE. If using a Credit Card we would charge 2.2% of the total payment.

3. Inventory:

A copy of the inventory will be given to the tenant at the start of the tenancy. Discrepancies should be noted in writing within 72 hours and provided to The Carrington Partnership. If the inventory is not returned within this time detailing any amendments, then it will be deemed to be a true reflection of the contents and condition of the property in every detail and will be used to assess dilapidations on vacation.

4. Deposit:

Tenants deposits equate to one month's rent plus £100.00. The Carrington Partnership are members of The Tenancy Deposit Scheme and therefore will, in most cases, hold the deposit. The deposit is to cover the damage to the property over and above reasonable wear and tear and/or rent arrears. At the end of the tenancy, the deposit will be returned to the tenant as soon as practicably possible, less any deductions agreed. However, occasionally, a dispute may arise regarding the proposed deductions. If this cannot be agreed between parties, The Carrington Partnership are able to refer any deadlock disputes to The Tenancy Deposit Scheme (TDS). Each case is sent to their Independent Case Examiner (ICE) and subject to expert third party adjudication and the apportioning of deposit monies.

Application Procedure

Please read these notes carefully

UNDER NO CIRCUMSTANCES WILL THE DEPOSIT BE USED TO COVER RENT DURING THE PERIOD OF THE TENANCY.

Prior to the signing of a formal tenancy agreement, the deposit will be refundable only in the following circumstances:

- a) Should the landlord withdraw the property from the market.
- b) Should the landlord fail to comply with the agreed conditions of letting as specified at the end of this form.

5. Renewing your tenancy:

Approximately 5 weeks prior to the ending of your tenancy we will contact you to ask if you would like to extend the tenancy after seeking the landlord's permission. If you do, a new agreement will be drawn up for you to sign and return to us.

Should you not wish to renew your tenancy The Carrington Partnership will commence remarketing and conduct accompanied viewings by prior appointment. You must make the property available for viewings when given sufficient notice.

6. Early Termination:

Once signed and executed you are legally bound by the terms and conditions of your agreement. Therefore, your landlord is under no legal obligation to release you from your tenancy early and may hold you liable until the end of the fixed term. However, in exceptional circumstances a landlord may agree to release a tenant from their obligations provided a suitable tenant has been found as a replacement and provided the existing tenant pays the rent up to the day before the new tenant moves in. In this case the existing tenant may be expected to cover the cost of any charges incurred by the landlord and The Carrington Partnership.

7. Cancellation of Terminated Tenancy:

If we have agreed arrangements with you to terminate your tenancy and then you subsequently decide to renew the tenancy and remain in the property, you will be responsible for abortive charges including all advertising costs and the refund of application fees (if applicable) in respect of the new tenancy.

8. Insurance:

The landlord will retain buildings and personal contents insurance on the property. However, this will not cover your own personal belongings and furniture. You must therefore insure your own possessions and it is strongly advised that this insurance includes accidental damage cover to landlord's possessions. It is advised that you take advantage of our fantastic insurance rates the details of which are located towards the back of this document.

9. Utilities & Services:

You are responsible for the payment of gas, electricity, council tax, water rates and television license, telephone and any other subscription services such as Sky and NTL. It is our companies' utility management policy that most of our properties are supplied by our preferred supplier SSE. This will mean you will benefit from SSE's award winning customer service and value for money. We will arrange for our Utility Pack to be sent to you for completion. Please ensure you read all the documents included within the Utility Pack. Then, please sign and return all completed utility documents in the FREEPOST envelope provided in the pack.

Important Notes & Declaration

Please read these notes carefully and sign where necessary.

10. Property Information:

Every effort has been made to ensure that you are given correct information relating to the property for which you are applying for a tenancy. You must ask if there is any aspect of the property about which you are unsure. The current inventory will be made available to you on request if you wish to confirm the items, which will remain in the property.

11. Guarantor:

In the case where a guarantor is required for a tenancy, the guarantor must be aware that they will need to sign the tenancy agreement prior to the keys being handed over and they will be jointly and severally liable for tenancy. This will include the payment of rent and any other terms set out in the agreement in the event that the named tenant does not meet the tenancy obligations.
